Agile · React.js · JavaScript · MongoDB · JIRA · CSS · Node.js · Express.js · MS Office · Scrum

EXPERIENCE

Project Manager
oEvent

07/2017 – 09/2018

Tasks

- Oversaw a team of 5 engineers, ensuring all projects and bugs were delivered in efficient time.
- Played a crucial role in the successful public launch of the web application.
- Helped oEvent achieve over 60,000 active monthly users.

Project Manager
Hashtaggy

06/2016 – 09/2017

Tasks

- Headed marketing strategy locally and digitally.
- Secured multiple meaningful partnerships.
- Devised a campaign which gained statewide publicity.
- Spearheaded the beta launch leading to over 300 daily active users.

PROJECTS

Eva's Bakery (In progress)
- Created a website for a local Salt Lake Bakery.

WanderLust (wanderlustbase.surge.sh) ⬈
- Allows users to find a popular hike in a Utah city.
